

# View Activity Filters

## Viewing existing Activity Filters

To view all Profile filters, select Recipients > Filters > Activity.

- Filters are organized in [categories](#)
- To add a new Activity filter, click on *New Activity Filter* in the navigation at the top of the page
- To edit, remove or create a copy of a filter, use the *Actions* menu
- You can use the *Search* feature at the top to look for specific filters by keyword

### Activity
